

SIZE CHART - UNIMAGE - BLAZER

* The following measurements are in inches and correspond to the MEASUREMENT OF THE GARMENT , not of the child.

* Take the measurements flat of a similar garment you have at home.

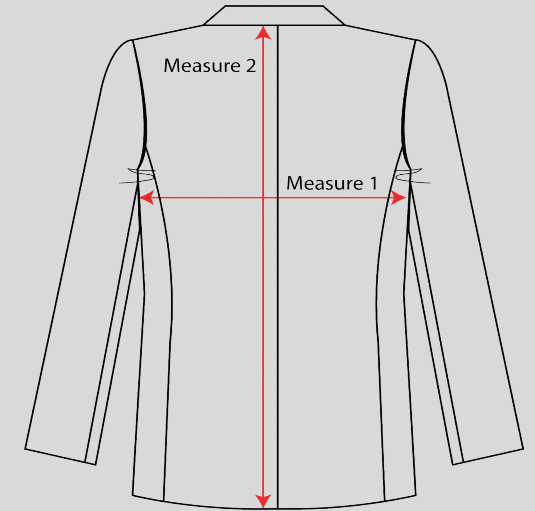

* Tolerance +/- 1 "

* Standard sleeve length

* If a size is available in the chart, but not during your order, it is because the size is not available in the desired color.

*Please find below the style corresponding to the desired product:

No jacket at home? 1. Take a top that fits your child well (t-shirt, polo shirts ..) 2. Add about 3 inches to the chest measurement in order to get the correct jacket measurement. For example: your kid's sweater chest measurement is 15 " (15 + 3 = 18), then the correct jacket size will be an L for style 7804 and XS for style 7811
