

Dedicated to ensure long-term sustainability while doing our best to improve the fate of our planet.

We pledge to reduce our ecological footprint, resort to sustainable sourcing and conserve our natural resources.

In our pursuit of a better future for the planet, Unimage is dedicated to eco-responsibility

- 🌱 **Eliminating** plastic bags.
- 🌱 Use of **organic** fabrics or fabrics made from **recycled** fibers.
- 🌱 Updating our line to include **eco-friendly** products.
- 🌱 Use of **recycled** and **recyclable** mailbags.
- 🌱 Use of **non-toxic**, water-based ink.
- 🌱 Supplying our customers with **biodegradable** and **reusable** bags.
- 🌱 **Implementing plans** to reduce our energy consumption.

ECO-FRIENDLY COLLECTION

SCHOOL UNIFORMS DISTRIBUTED BY

Local Production

We minimize our ecological footprint by producing locally, straight from our warehouse in Laval.

Our creative workshop is right here!

Embroidery

On-site sewing workshop

Screen printing & heat transfer printing

We collaborate exclusively with BSCI-certified factories worldwide, who are compliant with international standards regarding labor rights and environmental protection.
